The Town of South Bruce Peninsula is proposing to reconstruct the existing 4.3 km gravel surface of Howdenvale Road and Sunset Drive from Huron Road to 2.1 km north of Sucker Creek as shown on the Key Plan.

Work associated with the roadway reconstruction includes minor roadway widening, vertical/horizontal correction, and a grade raise of the low sections and culvert replacement at Sucker Creek.

For further information on this project or to inspect a copy of the Class Environmental Assessment document, please contact Mr. George Prentice, P. Eng., Henderson Padddon & Associates (A Division of Genivar Consultants LP) at 519-376-7612, ext. 215.

Public input and comments are invited for incorporation into the planning and design of this project, and will be received until October 29, 2008. Subject to comments received and receipt of necessary approvals and funding, the Town of South Bruce Peninsula intends to proceed with the planning and design of this project to be completed in 2008.

This notice was issued September 29, 2008 in the Sun Times and October 1, 2008 in the Wiarton Echo and available on the Town of South Bruce Peninsula website, www.southbrucepeninsula.com.
